MINISTRY STAFF QUESTIONNAIRE

We want to thank you for your interest in working at Christ's Church of the Valley. We're excited to explore how God can use us together as a team to build a dynamic church that effectively "helps people far from God become fully devoted followers of Jesus Christ."

This questionnaire is strictly voluntary, but it is an important tool for us to get to know potential team members better. Below you'll find a series of questions that will help each of us to discern God's will as we explore whether or not God may want us to work together. Please keep your answers concise, but detailed. And, above everything else, please don't think you need to show that you've "arrived." What's important to us is that you have potential, are teachable, and don't take yourself too seriously. Please enter your responses under each question, save the file containing your responses, and e-mail it to kathy@moviechurch.com.

2. Describe your conversion experience. How did you come to know Christ?
3. Have you taken a personality test, e.g. the Myers Briggs evaluation? If so, what were your results? If you haven't taken the test, let us know and one will be provided for you.

5. If you had to write an ideal job description for your position in our church, one that drew upon your personality type, spiritual gifts and God-given passion, what would it be?
6. What *wouldn't* you want to do in our church? (Please be specific.)
